There is nothing in the rules regulations governing the Govt extending the privilege of non official Presidents In the case of minor ~~mu~~ Municipalities, Malur has got now the privilege and in the case of city municipalities Bangalore city and in the case of town municipalities Anekal and ~~Do~~ Doddaballapur are enjoying the privilege Each case has to be decided on the merits of the

not correct conclusion. If there are proper men capable of serving as Presidents, there is prima facie no objection for extending the privilege.

B 20/5/32

The subject of the Resolution in this and the linked file is the same, viz grant of the privilege of having non-official Presidents to all Municipalities in the State, the Resolution in the linked file referring only to Town Municipalities.

There is nothing in the Municipal Regn against the grant of the privilege and the policy of Govt has also been to extend it as far as possible, having regard to the circumstances of each case and the availability of capable men commanding adequate support. Of late, the financial condition of a large number of Municipalities is unsatisfactory and some of them have not been able to pay up the contributions payable by them to Govt for Conservancy, Medical Relief etc and vigorous efforts will have to be made to collect the arrears which have accumulated for years. In such cases it will be a long long time before the Municipal Council can become fit to be granted the privilege.
